

SUPER LIFECARE

PRIVATE LIMITED

GMP-Certified API Manufacturer

Company Profile

ABOUT US

Super Lifecare Private Limited is a GMP-compliant manufacturer of Active Pharmaceutical Ingredients (APIs) for the pharmaceutical sector. We support products from development scale to full commercial supply — with validated processes, complete batch documentation and a team that answers directly.

CAPABILITIES

- **API Manufacturing**

Commercial-scale manufacture of Active Pharmaceutical Ingredients under GMP — from validated processes to final release, every lot on specification.

- **Custom Synthesis**

Route scouting, process development and scale-up for molecules that need a dedicated path.

- **Analytical QC**

HPLC, GC, KF and IR testing — no batch leaves without passing its full specification panel.

- **GMP Quality Systems**

Documented SOPs, in-process controls and complete batch traceability across the plant.

- **Regulatory Support**

CoA, MSDS, stability data and dossier support for your regulatory filings.

- **Global Logistics**

Export documentation and dependable dispatch, coordinated directly with our logistics desk on WhatsApp.

WHY SUPER LIFECARE

01 Compliance first

GMP protocols govern every step — from raw material intake to final release. Nothing ships undocumented.

02 Batch-to-batch consistency

Validated processes and in-process controls keep every lot on specification, run after run.

03 Transparent documentation

CoA, MSDS and complete batch records travel with every consignment — audit-ready by default.

04 A team that answers

Sales, purchase, logistics and complaints each have a named human, one WhatsApp message away.
